Buddy First Aid Kit (BFAK)

Gauze Compress 8 x 10

Item 6

8ply

Highly absorbent cotton bp quality.

Sterile and non-sterile alternatives.

100% Cotton gauze swabs. BP. The gauze pad cushions and protects a wound, preventing dryness from developing prematurely. Do not place the gauze pads directly onto a wound as they may stick. However, they do allow blood and fluids to pass through and be absorbed. Reliswab can also be used to clean areas around the wound site.

S-Rolled Gauze x 2

Item 7

4.5 in. x 4.1 yd Sterile, 6-ply premium cotton gauze

Unique and convenient packaging configuration and dispenser allows controlled application as a complete unit or in a continuous linear feed

Unused portion remains protected from contamination during application

Used as backing gauze for hemostatic agents, in conjunction with a compression bandage to control hemorrhage

Sterile Cotton wool 100g pack x 1

Item 8

Highest Grade Absorbent Cotton BP

For Dressings and Wound Care

Absorbent cotton wool for padding and protection

Buddy First Aid Kit (BFAK)

Halo Chest Seal (set of 2 per pack) x1

Item 9

Chest seal is 15-20cm and it creates an occlusive seal around wound.
Provides total occlusion - even with excessive blood, dirt, sand, hair, or heavy perspiration present.
Easy tear open foil packing
Non-vented design that is oval in shape. Large pull tabs facilitate removal or venting of wound.
Adheres despite storage as defined in Military Standard 8.10G.
Self-adherent.
Puncture-resistant packaging.
Integrity and function maintained when stored or carried in folded configuration.

Medical Cloth Adhesive Tape x 2

Item 10

Soft, non-woven mesh, stretch material.
Low-allergy adhesive.
Suitable for sensitive skin.
Dressing retention sheet (cut to length). Self adhesive non-woven mesh will flex with body movement. Conforms well around awkward areas. Low allergy, acrylic adhesive.

Paramedic / Trauma Shears x 1

Item 11

Shears/Scissors designed for everyday first-aid jobs.
Top quality stainless steel, curved safety blades for next to skin cutting, protecting the patient when cutting.
Impact proof with ergonomically designed handles.

Length: 11cm (handle to tip)
Weight: 36g

Buddy First Aid Kit (BFAK)

CPR Pocket Mask x 1

Item 12

Valve ensures breath can be given with control and accuracy.

Supplied in a durable blue clamshell case.
