RC11056 - LIGHTWEIGHT FIRE RETARDANT TACTICAL HOOD - BLACK

Lightweight fire-retardant tactical hood fits like a classic military balaclava and offers reliable protection against heat and flames. This insulating hood is ideal for use in warm climates.

Meta aramid interlock materials assure heat and flame resistance up to 700 degrees

Heat resistant hood weighs just five ounces for comfortable long-term wear even in warmer climates

One size fits most – hood measures 15 inches long to cover your entire face and neck

Material specs:

100% meta-aramid interlock

Length:

15 inches

Weight:

5 oz. / 170 gsm

Price £15.10 each

BCB standard terms and conditions apply. E & OE. All specifications are subject to change. Stock is subject to prior sale. Lead times are approximate. RC9362 - TACTICAL OPERATOR CAP

Tactical operator cap enhances the classic style of a baseball cap with tactical features.

Operator caps are designed with a lightweight, strong yet breathable blend of polyester and cotton (multicam is rip-stop woven for increased durability)

Front loop field on this tactical operator hat is ideal for attaching morale and flag patches measuring 3 ½ inches x 2 inches

Top of this tactical hat features a top loop patch field measuring 1 1/8 inches x 1 inch, allowing you to securely attach an IR marker

Back loop field on the operator hat measures 3 ¾ inches x 1 inches and is great for attaching additional morale patches and branch tape

Four reinforced air holes on this military hat provide ventilation, a must-have feature for skilful tactical missions

Military baseball cap features an adjustable hook and loop strap allowing one size to fit most comfortably

Also available in black, woodland camo. Acu digital camo, black camo, od, midnight digital camo, city digital camo, coyote brown, desert digital camo, gunmetal grey, khaki, midnight navy blue, multicam, navy blue, sky blue digital camo, subdued urban digital camo, total terrain camo, woodland digital camo, coyote camo

Price £7.80 each
